

PARAÍSO - Cocktail and sushi bar

An experience that combines the art of mixology with gastronomy. A space of refinement and sophistication. Paraíso is a contrast to the liveliness and hustle and bustle of Rua Cor-de-Rosa, the most famous street in the city of Lisbon, right next door, in the heart of Cais do Sodré.

Mixology at Paraíso fuses creativity and skill, redefining the art of drinking (or nibbling).

Signature cocktails, Edomae Sushi by the hands of master Kousuke Saito and an interactive space where your event can only be memorable. Themed celebrations, or private parties - here, various event formats can be accommodated.
